L4H2 model 6 363 mm			9,70 m ³	up to 770 kg	from 3 t to 4,25 t	3 656 mm			

* Depending on vehicle's configuration

Available configurations

Adjustable shelving

Easy to install, they allow you to organize your deliveries. Need more space? Lift them to optimize the loading area.

Removable plate

This layout allows you to cleverly store your products to optimize your deliveries.

Load restraint tracks

Secure your goods and deliveries with our load restraint tracks. Configure their placement to suit your needs.

Strip curtains

To preserve the freshness of your products, the PVC strip curtain reduces temperature loss while allowing easy access to your goods.

Other options are available. For more information, contact the sales department via the QR code below.
