L3H2 6 312 mm	4 215 mm	8,58 m ³	up to 785 kg	3 462 mm					

* Depending on vehicle's configuration

Available configurations

Adjustable shelving

Easy to install, they allow you to organize your deliveries. Need more space? Lift them to optimize the loading area.

Fixed partition

Need to transport chilled, fresh, and dry goods simultaneously? A fixed partition lets you do so without breaking the cold chain.

Load restraint tracks

Secure your goods and deliveries with our load restraint tracks. Configure their placement to suit your needs.

Strip curtains

To preserve the freshness of your products, the PVC strip curtain reduces temperature loss while allowing easy access to your goods.

Other options are available. For more information, contact the sales department via the QR code below.
