## Available configurations

### Adjustable shelving

Easy to install, they allow you to organize your deliveries. Need more space? Lift them to optimize the loading area.

### Removable plate

This layout allows you to cleverly store your products to optimize your deliveries.

### Load restraint tracks

Secure your goods and deliveries with our load restraint tracks. Configure their placement to suit your needs.

### Strip curtains

To preserve the freshness of your products, the PVC strip curtain reduces temperature loss while allowing easy access to your goods.
