\* depending on vehicle's configuration

## Available configurations

### Adjustable shelving

Easy to install, they allow you to organize your deliveries. Need more space? Lift them to optimize the loading area.

### Load restraint tracks

Secure your goods and deliveries with our load restraint tracks. Configure their placement to suit your needs.

### Thermal curtains

Made of PVC strips or stream of air, the anti-loss curtain reduces temperature loss while allowing easy access to goods.

### Fixed rear step

Easily access your goods with the fixed rear step. Made of steel and equipped with two bumpers, it will be an asset for your vehicle.

Other options are available. For more information, contact the sales department via the QR code below.
